Day 2: Vuelta Puerto Rico Official Route

Day 2 takes its participants through the following towns: Ponce, Peñuelas, Guayanilla, Yauco, Guánica, Lajas, Cabo Rojo, & Mayagüez.

All Pelotons will make stops at all the rest stops this second day.

From Ponce, you will ride by the ruins of an old sugar cane plantation in Yauco straight into the main square of Yauco for breakfast.

Highlights on Day Two include the charming seaside village of La Parguera, the dry forests of the southwestern coast and the beautiful small seaside village of Boquerón. You will arrive in Mayagüez with plenty of time to enjoy the town, the beach or the pool before dinner, again on your own.

A second option arrival town is Rincón, which requires you ride an additional 15 miles. Be advised, if you pick a hotel in Rincón, a group will depart at a neutral speed of 16 mph together in one peloton at the time outlined in the Schedule
